## **Deacon's Corner**

The **Solemnity of Saints Peter and Paul, Apostles**, will be celebrated on Saturday, June 29. This liturgical feast day celebrates the martyrdom in Rome of both apostles. Saint Augustine of Hippo explains, "Both apostles share the same feast day, for these two were one; and even though they suffered on different days, they were as one. Peter went first and Paul followed. And so, we celebrate this day made holy for us by the apostles' blood. Let us embrace what they believed, their life, their labors, their sufferings, their preaching and their confession of faith."

These simple and humble men responded to God. Jesus called them to perform marvelous works of faith – works that they would never have imagined.

They became pillars of the Church. St. Peter represents the office of the Vicar of Christ. When Our Savior meets Peter, Jesus proclaims, "I say to you, you are Peter, and upon this rock I will build my church, and the gates of the netherworld shall not prevail against it. I will give you the keys to the kingdom of heaven (Mathew 16: 18-19).

Over a ten year period of time, St. Paul became a missionary and evangelized throughout the Mediterranean region. He spread the Good News to many people and served as the first theologian of the Church through his writings. On this feast day, may we pray, "Lord, may we hear your call of what you wish us to do and respond by our actions to your will like Saints Peter and Paul."

## **Sensory Friendly Mass**

In an effort to embrace and welcome the members of our church with Autism, Downs Syndrome and development disabilities, Our Lady of Hope will begin hosting a Sensory-Friendly Liturgy once a month. These Masses include lower lights, softer music and shorter, more literal homilies; however, the biggest difference is that we try to create an environment that is welcoming and non-judgmental to all. We encourage families and individuals to get up and move, if needed, to bring alternative seating, fidgets or noise cancelling headphones and to participate in the liturgy just as they are.

**Our first Sensory-Friendly Mass will be on July 14 at 2:00 PM with fellowship to follow.**
