Disciple Maker Index

Parish Survey

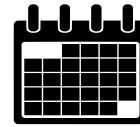

St. Patrick will be conducting a parish survey on discipleship. We need to hear from you! As part of the Diocesan *Called for More* initiative, the survey will ask you to reflect on your own spiritual growth and our parish's efforts to help you become the best disciple you can be.

The information gathered will be used to plan for the future so we can become a more faith-filled, vibrant community. The DMI will be open online from October 15 – November 24 and will take 10-15 minutes to complete (paper surveys will be available at the parish office for those who need them). All responses will be confidential. In the coming weeks we will provide more information in the bulletin on how to access the survey online or how to complete a paper survey.

Deacon's Corner

As Church we celebrate the **Memorial of Our Lady of the Rosary** on Monday, October 7. The Holy Rosary originated in 1212 when Saint Dominic de Guzman saw a vision of the Virgin Mary who gave him the rosary. It was in response to his prayer to understand how to combat the Albigensian heresy. The defeat of this heresy led many people to view the rosary in finding strength and confidence in facing life's difficulties.

This feast day also commemorates the Holy League's defeat of the Ottoman Empire in the Battle of Lepanto in 1571. Although the Turkish forces were powerful, they were not able to advance into Europe. The Christians won due to the intercession of Our Lady and the prayers of the Most Holy Rosary. Our lady encouraged us to say the rosary daily to overcome the "disturbances in our hearts, to strengthen our relationships in our families and to heal the relations among all people.
