We are in need.....

of a new Dough Maker. This machine is an integral part of our Pierogie making, which is one of our biggest fundraisers of the year. The cost of this machine is approximately \$3000.00. If you would like to make a donation toward the purchase of this machine, you may put it in an envelope marked Dough Maker and drop it in the collection basket. Thank you to those who have donated to this project.

To date we have received \$350.00.

Your donations are greatly appreciated.

Deacon's Corner

The memorial of St. Vincent de Paul, the patron saint of charitable societies, will be celebrated on Tuesday, September 27. Born in 1581 in a southern French town to a farming family, Vincent de Paul was ordained a priest at the age of 19. As a young priest, he ministered to the rich and the powerful in society. However, God's grace and an appointment to be a chaplain to a poor parish and prisoners inspired him to be a chaplain to a poor parish and prisoners inspired him to a vocation of working with people who were marginalized in France.

Initially, St. Vincent was described as "a hard and rough individual" but through God's transforming presence in his life, he became a tender and affectionate man who was sensitive to the needs of others. He established hospitals and an orphanage. St. Vincent also founded the Congregation of the Missions, a society of priests charged with missionary efforts and the Sisters of Charity who cared for the sick and poor.

Through this saint's example, in 1883, The Society of St. Vincent de Paul was formed as a worldwide organization of lay Catholics, who follow Christ's call to serve the poor, the suffering, and the deprived.

Parishes throughout our country have active St. Vincent de Paul societies serving over five million people who are in need each year.

Following St. Vincent de Paul's example, may we also serve those in need in our communities. We invite you to consider volunteering at St. Patrick Food & Clothing Closet and at OLOH Shepherd's Table.
